

2020 März 17 Englisch Schulschließung

Reference: School closure

Dear Sir or Madame,

as you undoubtedly already got to know, from Monday, 16th of March 2020 until Sunday, 19th. of April 2020 (end of Easter holidays) are all schools closed and the pupils are not allowed to enter the school buildings.

Therefore, being absent from school is apologized during this period of time.

The pupils get materials, which they have to work with at home. Please inform your school about your email address, if they do not have your email address already.

There are also no parent-teacher conferences or counselling's at schools. School Trips (and school trips over night), sport events at schools as well as internships are also not taking place.

The aim is, to slow down the infections rate with the Corona virus and to protect high-risk-groups. Take care in all areas and avoid social interactions as possible.

If you are single-parent or if both parents are working in one of the jobs listed below and if your child goes to class 1-6, please contact the principal. In these cases a child care will be organised.

Following jobs are concerned:

- health care and nursing
- Assistance for disabled people, child and youth welfare service
- public safety and order
- fire brigade, rescue service and disaster control (non-police aversion of danger)
- guarantee of the public infrastructure (telecommunication, energy, water, waste disposal)

Please inform yourself, and ask friends, neighbours or at your work about actual regulations.

If you have any questions, contact the school.
